

Hello community partners!

This Valentine's Week (February 8-14), share why you speak up to keep those you love safe. Joining our Valentine's campaign requires little effort. It is a simple yet effective way for you to say why teen driver safety is important to you and your organization.

Everything you need to "speak up" with us during Valentine's week is available at [speakup4safety.org/valentines](https://speakup4safety.org/valentines). Share the love!

You can use Zoom, Teams, Google Meet, or any platform you are comfortable with that supports virtual background usage. If you're unsure what to use, try using Panopto.com! Follow our step-by-step Panopto recording guide [here](#).

Thank you for being our Valentine. We are grateful to you for all you do to keep our loved ones safe on the road this Valentine's Day and beyond. Together we can save lives and stop the number one killer of teens—car crashes, particularly those caused by reckless and distracted driving.
